

ATLASCORE

BUSINESS & TECHNOLOGY CONSULTING

FAST | FOCUSED | FIXED-SCOPE

MICRO-PURCHASE SERVICES

Mission-ready technology support without a long runway.

AtlasCore delivers compact, outcome-focused engagements for government teams and prime contractors. Each offer includes a defined scope, concise documentation and an actionable closeout briefing.

FIXED-SCOPE OFFER 01

Cybersecurity Review

\$2,500

5 business days

OUTCOME

A practical snapshot of priority risks and the next actions needed to reduce exposure.

SCOPE + METHOD

One business unit; up to 10 systems or applications.

Risk review aligned to NIST Cybersecurity Framework functions.

DELIVERABLES

- 60-minute discovery and environment review
- Risk register with prioritized findings
- 30-day remediation action plan
- Executive closeout briefing

FIXED-SCOPE OFFER 02

Microsoft 365 Review

\$4,500

7 business days

OUTCOME

Clear recommendations to strengthen identity, access, configuration and cloud-security posture.

SCOPE + METHOD

One Microsoft 365 tenant; up to 25 users.

Read-only review of identity, MFA, roles and core security settings.

DELIVERABLES

- Tenant configuration and access review
- Identity and MFA control assessment
- Priority security recommendations
- Implementation roadmap and briefing

FIXED-SCOPE OFFER 03

AI Automation Pilot

\$7,500

10 business days

OUTCOME

A working pilot that reduces repetitive work and demonstrates measurable mission value.

SCOPE + METHOD

One defined workflow; one approved data source; one user group.

Discovery, rapid prototype, user validation and documented handoff.

DELIVERABLES

- Workflow discovery and use-case selection
- Rapid prototype or automation pilot
- Process and user documentation
- Results briefing and scale-up roadmap

WHY ATLASCORE

Business-first

Start with the mission outcome.

Fixed price applies to the stated scope; additional work requires a separate written quote.

One accountable partner

From assessment through handoff.

Actionable closeout

Priorities, documentation and next steps.
